THE RIVER COTTAGE KITCHEN & STORE DRINKS

At River Cottage, we take as much care with our drinks as we do with our food, celebrating taste, provenance, and the stories behind every bottle. Our wines, ciders, beers, and soft drinks are organic or biodynamic, meaning fewer additives in the making and no harmful chemicals in the growing.

We're also crafting our own organic wine, cider, and beer in collaboration with some of the UK's finest artisan makers. Not only is this the right thing to do, but we also believe it tastes better.
